NOTICE

DICKINSON IRON COMMUNITY SERVICES AGENCY

REQUEST FOR QUOTATIONS

WEATHERIZATION ASSISTANCE PROGRAM

Dickinson Iron Community Services Agency is seeking request for quotations from qualified **General and Mechanical contractors** to perform a variety weatherization measures. The Weatherization Assistance Program performs insulation, and various energy related improvements and alterations for qualified low in-come customers. Dickinson Iron Community Services will service approximately 30 homes per year. Work may be minimal to extensive, i.e. (caulking & weather stripping to sidewall and attic insulation, attic venting, furnace repair or replacement, mechanical ventilation etc.) Dickinson Iron Community Services will be having an open request for quotations until **June 16th. 2017**

All potential **contractors** and their **employees** must be EPA RRP Lead paint certified and must provide copy of certificates for each employee. In addition all **General Contractors** must own Blower Door diagnostic test equipment with digital monometer. All Mechanical Contractors must own combustion efficiency test equipment with report print out capability. Technicians must be capable of performing and documenting worst case combustion appliance zone (CAZ) testing using digital monometers.

Interested contractors can obtain a complete bidders package at DICSA main office located at 1238 Carpenter Ave. Iron Mountain, Mi. 49801 or call 774-2256 ext 214.

Sealed Quotations: Contractors will deliver one (1) original and one (1) copy to the following:

Donald Tramontin
Program Director
Dickinson – Iron Community Services Agency
1238 Carpenter Ave.
Iron Mountain, MI. 49801
Envelopes must be plainly marked **Sealed Quotations.** Responses will be received until 4:30 P.M. CST Friday **June 16th. 2017** This submission shall include the entire RFQ documents package. **Late submissions will not be accepted.** Thank you for your interest.
